Pages 265, 266; Do homework #'s 1 – 29 odd, 49 – 59 odd, 65.

Review
2 Pick up the “Module Two Review” from the Math 095 drawer. Complete the review and bring it to the desk to be graded and recorded.

Application
Test When you are ready, go to the test desk and ask for Application Test 2. Calculator use is recommended on this part of the test. Retesting is optional. If you retest, your score will be the average of the two test scores.
