

Administrative Series—2000

TRAFFIC CODE AND PARKING

The Chemeketa Community College Board of Education adopts the most current Oregon Vehicle Code as the College Traffic Code (“regulations”) and appoints peace officers (public safety officers) to provide for the enforcement, control and regulation of traffic, and parking of vehicles on college-owned and/or -controlled property.¹

The regulations may be enforced by the circuit, justice, or municipal court in the county in which the violation occurred in accordance with any governing agreement between the college and the city or county in which all or part of the college-owned property is located.

In addition, the regulations may be enforced administratively by the college Public Safety Office under procedures adopted by the college. Such enforcement may include administrative and disciplinary sanctions imposed including, but not limited to, reasonable fines upon employees, students, and visitors for violation of the regulations, including the reasonable fees for the cost of impounding and storing of vehicles.
